

Mary Dorman has over 25 years of land use planning experience in the Pacific Northwest and she has an excellent understanding of the state, regional and local planning framework. Prior to joining Angelo Eaton & Associates in 2005, Mary operated her own consulting firm in Portland for fifteen years. Mary has developed specialized expertise in the areas of growth management, land use planning and permitting for public facilities and institutional uses and land use analyses for transportation projects. Mary is an experienced and efficient project manager with strong technical, facilitation and communication skills. Mary was elected to two terms on the Executive Board of the Oregon Chapter of the American Planning Association and she is currently active on the Board of her neighborhood association in Portland.
