

Katherine has extensive experience in evaluating and developing land use applications, project research, and project coordination. She has experience working for local jurisdictions, providing assistance to the public on zoning and land use issues, coordinating project review, and assisting on various special research projects. Katherine is adept at preparing the complex applications required for development permitting, and working with local jurisdictions' staff and hearings bodies to successfully obtain land use approvals on behalf of public and private clients.

**EXPERIENCE AND RECENT PROJECTS**

**EXPERTISE:**

Land Use Planning  
Community Development  
Public Involvement

**EDUCATION:**

Master of Urban and  
Regional Planning,  
Portland State University

American Institute of  
Certified Planners  
  
Women's Transportation  
Seminar

- ◆ **Permitting for Washington County Commuter Rail, TriMet**, Prepared development applications for commuter rail stations and park-and-ride lots in Wilsonville, Tualatin, Tigard and Beaverton. A variety of applications were required in the different jurisdictions, including zone change, design/architectural review, partition, conditional use, and variance. The applications have been approved and construction of all five stations is underway.
- ◆ **City of Redmond Technical Assistance, Redmond, Oregon**, Assisted with development of Urban Growth Boundary Expansion Framework Plan.
- ◆ **Oregon Smart Development Code Assistance, Oregon Transportation and Growth Management Program, ODOT**, Assisted with Development Code updates for the City of Happy Valley and the City of Merrill to streamline procedures and implement Smart development objectives.
- ◆ **Beaverton School District, Beaverton, Oregon**, Prepared development applications for various school expansions within the district.
- ◆ **Permitting for NW Cornell Road Improvement Project, Washington County**, Prepared development applications for NW Cornell Road widening project in the City of Beaverton.
- ◆ **Tualatin Valley Fire & Rescue**, Prepared development applications for new fire stations within the City of Tigard, the City of West Linn and the City of Beaverton.
